## Armadillo Antics

by Bill Martin Jr. and Michael Sampson

The nighttime frolics and fun last until dawn in this moonlit adventure! Introducing an endearing armadillo, the book invites readers to follow his nightly romp, and children will delight in the story's classic cadence as they find out what he discovers under the stars.

## Did You Say Pears?

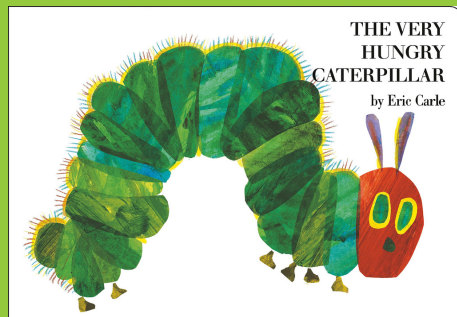

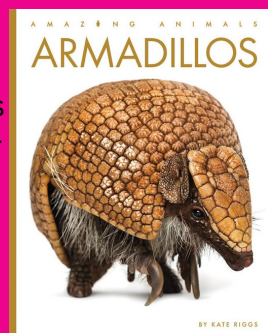

## Did You Say Pears? by Arlene Alda

Horn, pants, nails, trunk, pitcher – all words that can mean more than one thing. Arlene Alda has put together words and images in a delightful and witty book of photographs as inviting as a pair of juicy pears. Did You Say Pears? takes a playful and very clever look at words that sound the same but have different meanings.

## Armadillos (Amazing Animals)

by Kate Riggs

Meet the armadillo! Learn about how this unique mammal uses its boney shell for protection. Elementary-aged readers will discover armadillos of all shapes and sizes, ranging from tiny pups to the adult giant armadillo. Full color images and clear explanations highlight the habitat, diet, and lifestyle of these fascinating creatures.

## The Very Hungry Caterpillar by Eric Carle

One sunny Sunday, the caterpillar was hatched out of a tiny egg. He was very hungry. On Monday, he ate through one apple; on Tuesday, he ate through three plums--and still he was hungry. When full at last, he made a cocoon around himself and went to sleep, to wake up a few weeks later wonderfully transformed into a butterfly!
